| <b>RECOMMENDATIONS</b> | Ideal with braised veal, goose, lamb or beef                                                                                                                                                                                                                                                            |

WEINGUT

Familie Sattler

The winery Sattlerhof is one of the leading internationally-known wineries of South Styria. This family business cultivates 33 hectares of vineyards with Sauvignon Blanc as the main grape variety. The hotel and restaurant Sattlerhof, run by Hannes Sattler, completes the winery – making it one of the top destinations for the pleasures of Styrian culture.
